	3	Student Leadership		3	MAAS Hon Engineering Principles		1	Science of Athletics and Fitness
	3	MAAS Honors Intro to Stats					1	Laboratory Practices

Students electing to take the courses above are expected to fulfill the obligation. This means that the student will stay in the class until its completion. Classes indicated as 3 trimesters long are considered year-long courses. **You will not be able to drop a year-long class at any time during the school year.** If you select an Honors or Advanced Course, you will be responsible for summer assignments and will be given homework on a daily basis. Failure to complete summer assignments will **not** be a reason to drop the class. I understand that my child is expected to complete the courses selected above for their entirety.
