Students electing to take the courses above are expected to fulfill the obligation. This means that the student will stay in the class until its completion. Classes indicated as 3 trimesters long are considered year-long courses. **You will not be able to drop a year-long class at any time during the school year.** If you select an Honors or Advanced Course, you will be responsible for summer assignments and will be given homework on a daily basis. Failure to complete summer assignments will **not** be a reason to drop the class. I understand that my child is expected to complete the courses selected above for their entirety.
