SCHOOL DISMISSAL CHANGES

If your child's dismissal routine changes, **please send a note with your child in the morning**. Changes sent through Seesaw, email, or other messages may not reach the teacher if there is a substitute.

The note will be sent to the office so we can make sure the change is recorded and dismissal goes smoothly.

Any dismissal changes after school begins must be communicated directly to the office by 2:30 PM.

Our staff works hard to make sure every student knows where to go at dismissal. Thank you for helping us keep dismissal safe and running smoothly!

Halloween Parade

Our annual Halloween Parade is scheduled for Friday, October 30th, beginning at 9:30 AM!

Weather permitting, the parade will take place outdoors, with students parading around the outside of the school in their Halloween costumes.

If the weather does not permit an outdoor parade, students will parade inside the gym instead.

We can't wait to see all of our little tigers dressed up for Halloween! 🐯

Our 5th grade students have been traveling to Selfridge Air National Guard Base to participate in the STARBASE program! STARBASE provides students with hands-on, experiential learning in Science, Technology, Engineering, and Math (STEM). Students participate in exciting space exploration simulations, engage in STEM activities, and learn from positive military role models. We are excited to see our 5th graders exploring, learning, and discovering through this amazing opportunity!
